

Studio Pip

//Authentic.Original.Beautiful.Australian.

//Authentic. Original. Beautiful. Australian.

Studio Pip is an Australian made furniture brand with an extensive product collection that represents value and finely crafted designs, suitable for commercial, hospitality and residential environments.

The Studio Pip range incorporates combinations of local, sustainable and quality materials, creating designs that encompass Australia's distinguished craftsmanship.

Each design is available in a range of upholsteries, finishes and sizes and by providing such versatile designs, Studio Pip has become a leading supplier to Architects, Interior Designers, Stylists, Specifiers, Retailers and design enthusiasts alike.

A statement in design and quality, Studio Pip's quality pieces transform any space. The expanding collection includes solid timber dining tables, upholstered lounges and armchairs, hand crafted stools and dining chairs, unique side and coffee tables, innovative beds and bedsides, as well as an admired collection of storage solutions in entertainment units and sideboards. Studio Pip continue to create meaningful and outstanding furniture, made in Australia and made to last.
